The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Belleville Lead Line Replacement in fiscal year 2024. The entity to receive funding for this project is the Township of Belleville, located at 152 Washington Avenue, Belleville, New Jersey 07109.

The funding would be used to support the Township of Belleville in completing a lead service line replacement project occurring within the boundaries of Cedar Hill Avenue, Belleville Avenue, Union Avenue, and Joralemon Street within the Township. The project is an appropriate use of taxpayer funds because replacement of lead service lines protects public health and reduces exposure to lead in drinking water.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mikie Sherrill
